PRESIDENT'S MESSAGE

Dear Rotarians and friends

2021? Cannot wrap my head around that one yet. Welcome back to all of you and, as does everyone else, I hope the year ahead is happier, brighter, healthier and more hopeful than the last.

On 9 January we had our get together with a few Joint Probus members and a few Deloraine Rotarians at Rotary Park, with great fellowship all around on a gloriously warm evening. Unfortunately, the Probus President and her consort were unable to attend as they were in home quarantine in Exton, having returned from greater Sydney after that City's Covid outbreak. As I write (Sunday) they can at last achieve freedom.

Once again organised and coordinated by Lois Catchlove, the Rotary Deloraine Learn to Swim and Water Safety Program was a wonderful two-week event again this year with 70+ swimmers whose skills and safety were substantially enhanced by 10 sessions each with our professional swim teachers, Margaret and Paul, once again. Thank you so much to those few of you who came along to assist with setup / takedown and daily activities, we all had a great time at this wonderful community program that has been assisting young children for so many years, this year with additional funding to help us through the Bendigo Bank and Meander Valley Council. The weather was amazing, summery, and warm, except for the final day when we had just about everything the weather can throw at us here in Deloraine, bar snow, although it was so cold it would not have been surprising. The swimmers kept on and on swimming, shaking, blue and happy.

This week at our dinner meeting, after we thank Swim Instructor Paul Gambles, we will have our **planning meeting**, to look at the Club's activities and any other issues over the remainder of this year and coming years. As noted in the email I sent to all of you, I envisage having one table who wish to discuss changes to or maintaining the current club arrangements as they pertain to the coming year, such as budget, programs to support and the like; another table to look at local community events we may wish to develop or support (whether they be fund raising or just community activities); and another to discuss future fund-raising options that may be available to us. Those who have ideas relevant to all of those, could you write down your thoughts and pass them to the relevant table, and it would help if those with thoughts to share could write them down to save some

time on the night. We will then have one or two spokespersons for each table at the closing section of the night to discuss their outcomes with the club at large. The Board Executive will collect all thoughts and conclusions, summarise them and publish them to the Club in general so that when we return to a subsequent dinner meeting (I suggest a Club Forum night) the Club as a whole and individuals who wish to, can objectively and subjectively try to develop a plan of action/ strategic plan for the Club moving forward. I will bring pens, paper, etc for each group.

As it will be Australia Day, we will not have a dinner meeting on Tuesday 26th, the following dinner meeting will be 2 February, with Monday 8 February our breakfast meeting at the Deli where we shall be joined by two delightful prospective members, Natalie and Phil Burrows, so please make yourselves known to them. The following Tuesday, 9th Feb is the first Board Meeting for the year at 7pm at the RFC.

In closing, one new parent to the District was so thrilled with our Learn to Swim and Water Safety Program and the skills attained by his two children, that he donated \$100 to the Club!

Be safe, well and happy this year
Anne
